

A 4-Week Discussion Guide

Four ready-to-lead sessions for a small group or sermon series. Each has a theme, Scripture, questions, and a prayer. Use freely and adapt to your people.

Week 1 — The moment we're in

1 Chronicles 12:32 — the men of Issachar understood the times and knew what Israel should do.

- What changes from AI have you already seen in your own work or family?
- Where do we tend to find our sense of worth — and what happens when work is taken away?
- What would it look like to 'understand the times' as a church right now?

Pray: for eyes to see clearly and hearts that aren't ruled by fear.

Week 2 — What history teaches

Psalms 85:6 — Will you not revive us again, that your people may rejoice in you?

- Every revival followed a crisis and was sparked by prayer. Why do you think that is?
- Where have you seen God use hard seasons to draw people to himself?
- What might it mean for us to be ready to steward a move of God?

Pray: that God would revive us again, and find us ready.

Week 3 — The answer machines can't give

Mark 12:30–31 — Love the Lord your God... and love your neighbor as yourself.

- Machines can do our tasks — but what can they never do?
- How does knowing we're made to love change how we see our value?
- Who around us most needs to be loved, not just served, this month?

Pray: that we would love God and neighbor in a way no machine can imitate.

Week 4 — How we get ready

Ezekiel 33:6 — if the watchman sees the sword coming and does not blow the trumpet...

- Of the four areas — provision, purpose, belonging, hope — where is our church strongest? Weakest?
- What is one concrete step we could take in the next 30 days?
- Who will we invite into this, and how will we keep praying together?

Pray: for courage to sound the trumpet and to prepare in hope.
